

MINUTES OF THE EXECUTIVE
COMMITTEE MEETING OF THE
NEW JERSEY URBAN LEAGUE 2/11/26

The regular monthly meeting of the Executive Committee of the NJ Urban League was held on the above date in the League building. The meeting was opened with prayer by the President, Mr. Bannwart.

Minutes were called for, read, and approved, and ordered filed.

Miss Vaughan's report was called for and read and ordered filed.

The report of Miss Holbrook was read by Mr. Ashby because Miss Holbrook was representing the League at an important meeting.

The report of the Executive Secretary was read and ordered filed.

The Executive Secretary read to the Board the resignation of Mrs. H. S. Keelan (nee Holbrook) who was resigning from the League March 1st, in order to take a position with the Brooklyn Urban League in which city she lives, and would find it more convenient in carrying on her work. Miss Holbrook expressed regrets at going and the Board felt sorry to lose her.

The Executive Secretary asked for some action on the part of the Board as to how the place would be filled. After discussion a motion was made and passed authorizing the Executive Secretary to secure the best person possible for the place at a figure not exceeding the amount which had been appropriated for that department of the work.

The Treasurer's Statement was read. It showed a balance in Bank of \$54.67, on February 1st. Besides the salaries, the Board authorized the paying of the following bills: Fairlie & Wilson Coal Co., \$71.50; P.S. Gas and Electric, \$49.64; N.Y. Telephone Co., \$17.42. There was a discussion of our debt to Berla Bros., plumbers. The Executive Secretary said that he thought that within a month or two we would accumulate a sufficient balance to scale the debt down. No further business; adjournment.

Carl Bannwart, President

Lawrence B. Eklarson,
Secretary of Exec. Comm.
